SUMMARY

Software engineer with nearly 3 years of hands-on experience in SAP BTP and Fiori development. Strong background in building and supporting custom SAP UI5 and Fiori applications for clients in the Consumer Goods and Energy Utilities industries. Skilled in front-end development using SAP BAS and Fiori Elements, and experienced with OData service integration. Familiar with full project lifecycles, including implementation, testing, deployment, and end-user support. Confident in working with cross-functional teams, solving technical issues, and improving user experience.

SKILL SET

- **SAP Technologies:** SAP BTP, SAP UI5, SAP Fiori, Fiori Elements
- **Languages:** JavaScript, HTML, CSS, Java
- **Integration:** OData Services, CAPM
- **Tools & Platforms:** SAP BAS, VS Code, SAP Theme Designer
- **Other:** Fiori Launchpad Configuration, Smart Controls, Annotations

EXPERIENCE

Accenture Services Pvt Ltd

Sep 2022 – Present

Role: Custom Software Engineer Analyst

- Developed SAP Fiori-like apps with CRUDQ operations via OData Services from end to end using the SAP BAS.
- Created SAP Fiori-like apps for the SD module, including sales-related dashboards in tabular and graphical formats.
- Developed SAP Fiori apps using the BTP CAPM for end-to-end applications.
- Developed list report applications from OData services and worked on extensions.
- Expertise in implementing and activating standard Fiori apps.
- Proficient in using tables, lists, micro charts, and charts.
- Experienced in debugging, deployment, and integration of applications.

- Maintained Fiori launchpad configurations, including catalogs, tiles, groups, semantic objects, and target mappings.
- Resolved browser-specific issues reported by end users.
- Involved in resolving SAP UI5/Fiori-based QA issues.
- Customized screen appearance using Theme Designer and external stylesheets (CSS).
- Demonstrated strong management skills to interact with vendors and utilize their expertise for company growth.
- Provided end-user training for Fiori apps.

PROJECT DETAILS
